This month's SquashLevels three biggest improvers!

- Mylo Scurr breaks into four figures with an improvement of 18.5% to 1,068
- Peter Griffiths has a double-digit improvement of 10.5% to 578
- Samuel Adebiji continues his improvement, moving up a further 8.8% to 1,237

Great to see that most of the top 10 improvers are people who currently have a sub 500 SquashLevels ranking. If you put your match scores into the MyCourts results it will make it even more likely that your level will improve

A big thanks to Dan Mogridge for providing the monthly stats!

[SquashLevels](#) is very simple to set up and a great way to track your progress.

BLACKHEATH 2 PROMOTED!

Blackheath 2nd Team have won promotion to Div 5 in Kent Priory. The team, a mixture of elder statesman like experience and precocious youth, played a steady season, picking up important points every step of the way to a well-earned break before summer season kicks off.

"Captaining a squad of squash players is based on trust and understanding. The players didn't trust me and most of the time I had no idea what they were on about..." said captain Ville. *"Yet we managed to play in good spirits, with great humour and respect. Well done all."*

Team squash is played between clubs based in South East London and North Kent every Tuesday night in four player teams competing in order of nomination. Matches are followed by dinner, drinks and carefree banter. If you would like to play team squash this summer, please get in touch with [Coach Ville to register your interest.](#)
