RECENT CLUB CLOSURE

Apologies for the recent club closure. This was caused due to an issue with one of the front court light fittings on Court 2 that proved defective and fell onto the court. This happened on the Thursday before Easter and the contactors who fitted these lights were contacted, and the club closed as the Committee could not risk this possibly happening on Court 1. Getting the original contractor to fix the issues proved hard, so we then contacted the contractor who did the electrical work during the roof replacement and viewing gallery refurbishments. They visited quickly and resolved the problem late on Thursday 18th May 2025.

The Committee would like to apologise for any inconvenience caused, but the health and safety of our members must take priority.

RACKETBALL BOX LEAGUE

The club have recently started a Racketball box league to complement the Squash Box leagues. The inaugural Racketball box has just finished with seven members joined up to compete. Well done to Kevin for completing the most matches and finishing top on points.

If you would like to join the Racketball box drop and email to: [mailto:info@blackheathsquashclub.com?subject=Racketball box league](mailto:info@blackheathsquashclub.com?subject=Racketball%20box%20league)

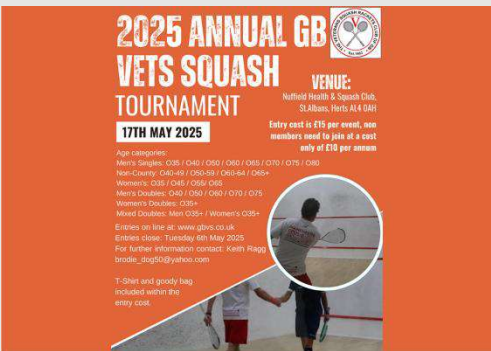

The current box runs until the end of June so there is plenty of time to sign up.
