The top 3 improvers for last month all have some huge gains!

Ashley Kisney, off the back of some great performances in tournaments, breaks the 4-digit barrier with an improvement of 35.3% to reach 1,073.

Stuart Gibbs performances in the box leagues have led to a huge increase of 24.1% to reach 495.

Dan Mogridge seems to have left the squash doldrums to improve by 21.3% to reach 547.

Don't forget to add your match scores to make your ranking more accurate.

A big thanks to **Dan Mogridge** for providing the monthly stats!

COURT FLOOR REPAIRS

The Club's Committee are planning to get a *new* contractor in soon to evaluate and hopefully fix the issue with the large “nick” gap on the right-hand side of court one and on both sides of court two.

This will mean that the courts will need to be closed while they review and hopefully remedy the problem.

Apologies to any players that are currently relying on these “nick shots” and for any inconvenience to members while the courts may be closed!
