BLACKHEATH SQUASH

NEWS & UPDATES

2026 CLUB TOURNAMENTS

The Quarter finals of the Singles Competition is due to be completed by the 14th of June 2026, with the semi-finals due to be played a week after on the 21st June 2026.

The Singles finals, along with the other finals will take place by the end of June where we host a “finals night” at the club where members are welcome to come along, support all the finalists and see some great squash being played. An email will confirm the date but its provisional date is Friday 26th June 2026.

The Singles Plate tournament quarter finals need to be played by the 14th June 2026, semi-finals by the 21st June ready for the final to be played on finals night.

The Doubles Tournament semi-finals need to be played by 19th June 2026.

The Over 60's Tournament first round matches need to be played by 19th June 2026, Ladies Tournament Semi-final matches by the 19th June 2026 and the Racketball Semi-finals by the 19th June 2026.

If you have matches to play in the [tournaments](#) please review your draw carefully, get in touch with your opponent, and arrange to play your match within the scheduled tournament dates and please reserve the 26th June 2026 if possible to play or view the finals.

Should you be unavailable during those dates, you should allow your opponent to advance to the next round by giving them a bye. Matches that are not completed by the deadline will be resolved by flipping a coin.

This month, Blackheath SquashLevels participants have demonstrated notable improvements across the board.

- **Dillon Siebert** breaks into 4 figures with a rise of 24% to reach 1,137
- **Isaac Priestley** is now tantalisingly close to breaking the 2k mark having improved by 12% to reach 1,927 regular to these updates, has a similar improvement of 11.1% to reach 1,289.
- **Simon Haworth** improves by 6% to reach 1,614 with a win over Isaac giving him a huge boost to his ranking

To ensure the most accurate SquashLevels rankings, please remember to submit your game scores. Special thanks to Dan Mogridge for compiling this
