**SUNDAY 3
OCTOBER 2021**

The 41st annual edition of the London Marathon takes place on Sunday 3 October and will require road closures and parking restrictions in your area.

More than 40,000 participants will take on the 26.2-mile course, starting at Blackheath. Advance warning signs will be displayed in affected roads in the build up to Marathon Day and stewards will be present on the day to help answer your queries. Thank you for your cooperation and understanding in helping to make the 2021 Virgin Money London Marathon a success.

In 2019, the event raised a record-breaking £66.4 million for charity, bringing the overall sum raised since the event was founded in 1981 to more than £1 billion. This year's event is aiming to raise even more.

Roads will reopen as soon as it is safe to do so. Roads to the south of Westcombe Park are anticipated to reopen by 13:00 while roads to the north of Westcombe Park are anticipated to reopen by 15:00.

Access for Residents

During the road closure times, Vehicle Crossing Points will enable vehicles into and out of the affected area. Vehicles will be facilitated across the event route by stewards at the following locations and at the times indicated:

SPECTATORS – PLEASE WATCH FROM HOME

This year we are encouraging everyone to support the Virgin Money London Marathon by watching the BBC's live coverage of the Virgin Money London Marathon on television and tracking runners using the official app to reduce crowding on the course. If you do watch in person, please avoid gathering in large numbers and if an area is busy, please find another place to watch the event. Our stewards will ask spectators to move on if areas become crowded. Thank you for your understanding.
